- Popup banners
- Backlit rolling signage

PRINTER/INK COMPATIBILITY

Océ OBM12 is recommended for use with pigment, solvent & eco-solvent inks. For a complete compatibility chart on our website go to: www.csa.canon.com

FINISHING RECOMMENDATIONS

Océ OBM12 can be overlaminated with both thermal (max. 185°F.) and pressure sensitive laminates. Make sure that prints are completely dry prior to laminating. Cold pressure-sensitive adhesives are recommended for mounting.

This information is presented as a general guide and is not a performance guarantee. The user should independently determine prior to use the suitability of the material for the specific purpose.
